# Conquer Your Clutter

Avoid the top 5 stumbling blocks that keep you from clearing the clutter. Then, learn the 10 strategies that will help you control the clutter and maintain your space.

Presented by **Diana Carlos**, Professional Organizer

Diana Carlos doesn't just come in, de-clutter, and systematize, she also empowers her clients with the skills to keep their spaces harmonious. Becoming a professional organizer has allowed her to do the two things she feels most passionate about: teaching and organizing. Diana Carlos completed a comprehensive Professional Organizer training program through the **Institute for Professional Organizers**. She is a member of the **National Association of Professional Organizers (NAPO)**.
