Notify the veterinarian prior to vaccinating if your pet has ever had a reaction to a vaccine, or if your pet has recently shown any sign of illness or could be pregnant.

Vaccines are good for 3 years if the dog or cat is over 1 year old and has proof of prior licensing or a valid Rabies Vaccination Certificate from a licensed veterinarian in the U.S. Otherwise, the vaccine is good for 1 year, regardless of the pet's age.

IMPORTANT: Please make sure that your adopted pet receives its vaccine boosters 3 to 4 weeks after its adoption. For further clinic and pet health information: www.snpla.org or call 310-574-5555.

SNPLA will be doing spay and neuter appointments and offering vouchers to help cover the cost of surgery.

Price shown below are for Signal Hill residents
