Two comments were received from members of the public regarding the Master Plan. In an email received on May 18, a resident stated that the basketball courts slated for removal in Phase 2 should be kept and continue to be made available to youth, and that Spud Field should be retained in its current location and improved if possible. In an oral presentation at the Commission meeting, a member of the public stated a new location for the basketball courts should be identified and shown in Phase 2.

The Parks and Recreation Commission recommended that homeowners associations and the Long Beach Unified School District also be included on the library committee.

It was moved by Commissioner Damrow and seconded by Commissioner Cunningham to receive and file the report with communication of suggestions made to City Council.

## ITEMS AGENDIZED FOR NEXT MEETING

There were no items agendized for the next meeting.

## PUBLIC BUSINESS FROM THE FLOOR

There was a follow up from resident Gloria Nava:

- Ms. Nava asked if over the time we have had 3 elementary schools, had there ever been a program of activities between the City and LB schools. Vice Chair Davis explained there are issues with insurance because school grounds cannot be accessible if there is exposure to the school buildings. The fields must be isolated. The City has not used their facilities in a joint relationship in the past.
- Ms. Nava advised that she has been active in League of Women voters, and they have tried to come up with plans where school districts used their land more fully for the community as well as their school activities, and nothing ever worked out. She referred back to her recommendation that she sincerely hopes that we leave a place for the basketball courts. Those players are in good shape and are a role model for the children that could look up to them and want to learn to play and at a good level.

## ADJOURNMENT

It was moved by Commissioner Dudley, and seconded by Commissioner Cunningham to adjourn to the Regular Meeting continued to Wednesday, June 8, 2011, at 6:00 p.m., in the Council Chamber of City Hall, 2175 Cherry Avenue, Signal Hill, CA 90755.

The motion passed 4/0/0

The meeting was adjourned at 7:28 p.m.
