Fall Greetings

As the warmth of summer gracefully gives way to the crisp embrace of autumn, Signal Hill is ready to move into a season of togetherness and engagement. Our City thrives as a hub for shared experiences, and this fall is no exception. We will have many opportunities for you and your family to enjoy the cooler weather. We have many exciting programs lined up at the Signal Hill Library and our parks including our annual Halloween Carnival and Holiday Tree Lighting Ceremony. Please continue to look out for our community announcements on the City website for more information.

In addition to upcoming community events, we will also have opportunities for you to help shape the future of Signal Hill. As you may know, the City Council is looking to reimagine the Civic Center Campus, which includes City Hall, the Signal Hill Public Library, Signal Hill Park, and the Community Center. We are looking for your feedback to understand what types of amenities and activities you wish to see developed for the future (There is a survey available online now through September 8). There will be more opportunities for you to participate. Additional information, including the survey, can be found on the Civic Center Master Plan project page. (Please see page 7 for QR code and link).

The City also recently launched the Signal Hill Leadership Academy. This academy presents an opportunity for residents to learn more about how the City works. Our City officers will lead four sessions to share more about their work in a classroom style setting and provide updates on exciting projects. The Leadership Academy also provides an opportunity to share your feedback to representatives on all City functions. This direct engagement will help residents understand how each piece of the puzzle contributes to Signal Hill's thriving community. Registration for the Leadership Academy is filled but please look forward to another session next year.

As the year draws to a close, we hope that you will enjoy time with your family and friends. We all need time to rest and reflect and look forward to the year ahead.

Carlo Tomaino
City Manager

SUMMER DAY CAMP

Signal Hill Day Camp provided a fun, energetic, and active environment where children were given the opportunity to enhance the development of their physical and interpersonal skills. Day Camp helped create many fond memories as our city was able to serve 667 campers throughout the summer with 26 excursions.

MOVIES IN THE PARK

The popular Movies in the Park returned to Signal Hill Park! We were glad to see so many people join us for Top Gun Maverick, Turning Red, and High School Musical. Thank you to Signal Hill Petroleum and the City of Long Beach for helping make Movies in the Park possible in 2023!

NATIONAL NIGHT OUT

National Night Out, traditionally held on the second Tuesday in August, is a nationwide, community-building campaign that promotes police community partnerships and neighborhood camaraderie. A special thank you to the Signal Hill Police Foundation for making this community event possible.

WALKING TO SCHOOL:

- Always walk with a buddy or group; avoid talking to strangers.
- Before crossing the street, stop and look left, right and left again to see if cars are coming.
- Pay attention to surroundings and do not walk and use electronics at the same time.

RIDING THE BUS TO SCHOOL:

- Be sure the bus driver can see you.
- Never walk behind the bus.
- Do not put your head, arms, or legs out the window.

RIDING A BIKE TO SCHOOL:

- Always wear a helmet and make sure it fits properly.
- Ride on the right side of the road, with traffic, and in a single file.
- Ride while alert and do not use electronics or wear both ear buds while riding.

MOTORISTS:

- Obey all signs, signals, and crossing guards, especially in school zones.
- Slow down and watch for children walking/biking to school and for children exiting a school bus.
- Do not pass a school bus that is stopped to load or unload children (this is also a citable offense).

COMMEMORATIVE FLAGS

Since 2019, the City has adopted a commemorative flag policy to allow for the rotating display of commemorative flags underneath the City flag at City Hall, the Public Library, and the Police Station. Each flag represents a specific group and/or event. The goal is to celebrate groups and their rich contributions. Each flag aims to educate and inform the public regarding the group's presence, history, and achievements. For 2023, the City featured 9 different flags celebrating: Black History, Women's History, Cambodian New Year, Thai New Year, National Day of Prayer, Asian American and Pacific Islander Heritage, and LGBTQ+ Pride and Harvey Milk Day, and our upcoming events below. Learn more about the City's Commemorative Flag Policy on our website.

NATIONAL HISPANIC HERITAGE MONTH

We celebrate Hispanic Heritage Month to recognize the achievements and contributions of Hispanic Americans who have inspired others to achieve success. It is an honor to celebrate the histories, cultures, and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America.

NATIVE AMERICAN HERITAGE MONTH

We celebrate the significant contributions the first Americans made to the establishment and growth of the United States. Native American Heritage Month is a time to educate the public about tribes, to raise a general awareness about the unique challenges Native people have faced both historically, in the present, and the ways in which tribal citizens have worked to conquer these challenges.
