HIGHLIGHTS

DEVELOPMENT PROJECT SPOTLIGHT

Opportunity Study Areas Project

The Opportunity Study Areas (OSAs) initiative is designed to drive future redevelopment and economic growth in key underutilized areas of Signal Hill—primarily older industrial properties, office buildings, vacant lots, and minimally developed parcels with expansive storage yards. Signal Hill offers businesses the chance to be part of a thriving community that embraces innovation, growth, and sustainable development. Whether you're looking for larger manufacturing space, office buildings, or flexible properties, the OSAs present an exciting opportunity to join a forward-thinking city on the rise. **Scan the QR code for more information.**
