

Signal Hill Ranks 19th Nationwide in Survey of Most Exciting Suburbs

The words "exciting" and "suburb" are generally never uttered in the same breath according to the Movoto Real Estate Blog. In fact, if you look at pop culture – particularly coming out of the 1980s – suburbs are shining beacons of the boring life, where the biggest thrills include mowing lawns on the weekend and picking the kids up from soccer. Only that's

totally untrue, especially in Signal Hill. The City was ranked as the 19th most exciting suburb nationwide. What Movoto found was that after ranking the country's most exciting cities and nearly 140 suburbs on numerous excitement factors, 10 cities emerged as the absolute thrilling-est of the bunch, including Cambridge and Quincy, Massachusetts, Berkeley, California, Miami

Signal Hill Ranks 19th Nationwide in Survey of Most Exciting Suburbs

Continued from page 1

Beach, Florida, Santa Monica, California, Lakewood, Ohio, Jacksonville Beach, Florida, Tempe, Arizona, Santa Clara, California, and Evanston, Illinois.

The formula used by Movoto includes rankings for active life, young residents, and access to non-fast food restaurants. The study looked at business listings for each city and U.S. Census data. They then averaged the individual criteria scores to produce an overall "Big Deal Score" (one being the best possible

score), which was used to determine the final ranking. Of special note on the chart is that Signal Hill has the lowest population of the top 20 cities; and is only one of three cities on the list with a number 1 ranking, and the only city with a number 1 ranking in "Active Life Rank."

The day's festivities include food, live entertainment, and lots of family fun. Proceeds from this popular event sponsor local Signal Hill youth programs, which are so important to today's youth!

The deadline to register your pre-1975 show quality car or truck is July 25th. For entry forms, please contact (562) 869-4202. ■

City 2013-2021 Housing Element Receives State Certification

All California cities are required to prepare and adopt a General Plan to use as a guide in making land use decisions. It is essentially a blueprint for future development and focuses on long-term goals. The Signal Hill General Plan includes six elements, one of which is the Housing Element.

The Housing Element provides an assessment of the current and projected housing needs for all income groups. State law recognizes that local governments play a vital role in the supply and affordability of housing. Therefore, the Housing Element is the only element required to be updated regularly and reviewed by the State Department of Housing and Community Development (HCD). In its review, HCD pays particular attention to whether cities can accommodate their fair share of new housing based on projected population growth. The fair share is called the Regional Housing Needs Assessment (RHNA).

The City just completed an Update of its Housing Element covering the period 2013-2021. The RHNA fair share number for the period is 169 units. This means the City must demonstrate specific properties where a total of 169 dwellings could be built for all income groups. The City is not required to build the units, rather to ensure proper zoning regulations are in place to allow them to be built.

Under new rules, cities in our region that adopted their Housing Element by February 2014 would be on an eight-year cycle for future updates. Cities that missed the deadline revert back to a four-year cycle. In February 2014, the City Council adopted the updated General Plan Housing Element and authorized submittal of the document to HCD for review and certification.

On March 18, 2014, HCD certified Signal Hill's Housing Element, since the Element meets State law requirements and demonstrates that the City exceeds the projected housing needs in all income categories. The 2013-2021 Housing Element is available for public review on the City's website at www.cityofsignalhill.org. ■

Cherry Avenue Widening

The Signal Hill City Council recently opened construction bids for the Cherry Avenue Widening Project. The City is currently in the process of awarding the construction contract and anticipates construction will get underway later this summer with construction completion anticipated by the end of the year. The construction work along Cherry Avenue will be from 20th Street to just south of Pacific Coast Highway (PCH).

This project, when completed, will increase the overall efficiency of the Cherry Avenue / PCH intersection through the addition of two new traffic lanes, one in the southbound direction, and one in the northbound direction of Cherry Avenue between PCH and 19th Street. The addition of these new lanes increases the overall capacity of this section of roadway by extending the existing four-lane configuration north of 19th Street on down to PCH. Also, a new shared through/right turn lane is being added on southbound Cherry Avenue at PCH in addition to the existing right-turn-only lane.

The project also includes new asphalt paving for the entire width of Cherry Avenue from 20th Street to 230-feet south of the PCH intersection, construction of new curb and sidewalk improvements, improved surface drainage, a new traffic signal at the intersection of Cherry Avenue and PCH, and a new landscaped median along Cherry Avenue from 19th Street to 20th Street.

Please visit our city website at www.cityofsignalhill.org for addition project information and a detailed project schedule or contact the Public Works Department at (562) 989-7351. ■

Special Municipal Election Tuesday, June 3, 2014

The City of Signal Hill Special Municipal Election is on Tuesday, June 3rd. Sample ballot booklets have mailed. For information on Measure U, visit the city's website at www.cityofsignalhill.org. The polls are open from 7:00 a.m. to 8:00 p.m. Some polling place locations may have changed, so please check the back of your sample ballot booklet for your correct polling place. You may also view your sample ballot and check your polling location at www.lavote.net.

Join the Signal Hill Police Department in Celebrating Their 11th Annual National Night Out

It's that time again! Time for you to join forces with the Signal Hill Police Department and become a part of the nationwide celebration in taking a stand against crime!

National Night Out is an annual event that occurs on the first Tuesday in August. This nationwide event encourages community members to join in partnership with local law enforcement agencies to show criminals that we are proactive in the nation's fight against crime.

This year's event will take place on Tuesday, August 5th from 5:00 p.m. to 8:00 p.m. at Signal Hill Park,

2175 Cherry Avenue (please note that this location is different from last year's location).

Last year's festivities included a balloon artist who crafted various balloon creations on request, an airbrush artist who offered personalized airbrushed artwork on the arms and faces of the youth, and a trackless choo-choo train that provided free rides around the park throughout the evening. Starbucks, Signal Hill Florist, and many other local vendors offered beverages, flowers, and other items to members of the community. Signal Hill Community Services staffed a booth and offered the opportunity for visitors to create many fun art projects for would-be artists to take home.

A Free National Night Out raffle included prizes generously donated by local businesses including Target, Big E Pizza, EDCO, Boulevard Buick, Knott's Berry Farm, Medieval Times, Knott's Soak City, Boomers, Signal Hill Petroleum, Hooman Nissan of Long Beach, Kruger Tow, Mr. C's Towing, Mercedes Benz of Long Beach, and many other generous sponsors.

Please come by Signal Hill Park and join us in celebration of our 2014 National Night Out event. ■

Disaster Preparedness – You Can't Predict So You Must Prepare!

Recent earthquake activity and other natural disasters remind us to BE READY AND BE PREPARED. Put together a kit of basic emergency supplies. Include a portable radio, extra batteries, a first aid kit and handbook, wrenches to turn off gas and water valves, and food, water, and medication for every member of your family for at least one week. Don't forget about the needs of your pet! The city of Signal Hill sells pre-

assembled emergency kits to begin the preparation process. For more information on these kits, please contact (562) 989-7330.

The County of Los Angeles has assembled a collection of tips and guides aimed at emergency preparedness. The Emergency Survival Program (ESP), is an awareness campaign designed to increase emergency preparedness at home, in the community, at work, or at school. For more information, and for some easy monthly preparedness tips, visit the ESP website at www.espfocus.org. ■

11:30 a.m. – 12:30 p.m.

Children ages 10 and under are invited to visit the Signal Hill Public Library to read to a registered therapy canine. Research shows children who read regularly to a therapy dog increase their reading fluency 12 percent to 20 percent.

Summer Programs for Adults

Adults (Ages 18+)

June 14 – August 16

Join our summer library program "Paws to Read." All adult participants will receive a reusable book tote and a bookmark. Participating is easy – read books and get drawing tickets for each book you read. A monthly drawing for a \$20.00 Starbucks gift card will be held. All monthly drawing tickets are kept for the Grand Prize drawing – a \$50 restaurant gift card and two movie tickets. Additional drawing tickets may be earned by participating in Bonus Activities.

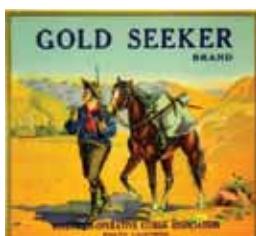

Paws to Give

Signal Hill Public Library is partnering with Friends of Long Beach Animals (FOLBA) with our Paws to Give program. To raise funds for FOLBA, adults, teens, and children are encouraged to participate in "Paws to Give" by feeding our "puppy bank" with a quarter for every book they read over the summer.

Jim Cogan Storyteller

Wednesday, June 18, 7:00 p.m.

Jim Cogan is a nationally recognized storyteller and has been featured on PBS-TV. Please join us for Jim's presentation: "California's Second Gold Rush and The Rise of Southern California."

Hear the amazing story of how

southern California developed and how Signal Hill fits into this history through impersonations, audience participation, and iconic imagery. Jim's presentations are family friendly and memorable. Don't miss this free event!

Reading Families

June 14 – August 16

The importance of reading aloud to children of all ages cannot be stressed enough, even for children who can read on their own. Join our Reading Families program to encourage the

love of reading throughout the summer. Receive a Grand Prize drawing ticket for every five books you read to your children. The Grand Prize is a basket filled with books, family friendly DVDs, movie tickets, gift cards, games, Rocket (pictured on page 8), and the book by Tad Hill, *Rocket Learns to Read* and more.

Special Summer Programs for Youth

Paws to Read & Paws to Give

June 14 – August 16

Signal Hill Public Library has several programs to entice readers of all ages to read throughout the summer. Reading during summer vacation is important for school age children to prevent the "summer slide," a phenomenon where children lose academic gains during the summer months. Reading just five books over the summer stabilizes gains and paves the path for academic success in the fall.

Reading this summer will also benefit our four-legged animal friends with Paws to Read and Paws to Give.

1. **Paws to Read:** For every book a child in grades 1-12 reads between the program dates, \$1.00 will be donated in their name to FOLBA – Friends of Long Beach Animals.

2. **Paws to Give:** To raise even more funds for FOLBA, we encourage adults, teens, and children to feed our "puppy bank" with a quarter for each book they read.

Special Summer Programs for Youth (cont.)

Children (Grades K-5)

June 14 – August 16

This summer's theme is Paws to Read! All participants receive a Paws to Read book bag, bookmark, library card lanyard, and animal mask during registration. After reading 5 books you get a FREE book plus an entry for the Grand Prize - a backpack filled with school supplies, movie tickets, gift cards, games, and more. By attending library activities, you can enter the Bonus Drawing for Rocket (pictured) and the book by Tad Hill, *Rocket Learns to Read*.
