## **PUBLIC BUSINESS FROM THE FLOOR**

## **CITY MANAGER/EXECUTIVE DIRECTOR REPORTS**

City Manager: Yes, thank you Honorable Mayor and Members of the City Council and Chair and Members of the Redevelopment Agency. Tonight we have a request to approve the third amendment to the Disposition and Development Agreement for Carmax Auto Superstores, 2950 Walnut Avenue and a reacquisition of a .35 acre parcel for the Disposition to Nissan. The Agency approved an expansion to the existing Hooman Nissan Dealership on property located immediately west of the dealership. This expansion is conditioned upon the acceptance by the property owner, Carmax Auto Superstores. The Agency is proposing an amendment to the existing DDA to acquire a .35 acre parcel and the City Council is a party to the original Carmax DDA and the Agency is still on title for the .35 acre parcel but needs the release of the Carmax deed of trust. So the actions tonight that are proposed are: First, approval of taking a .35 acre parcel from the Carmax site and adding it to the Nissan site. Number two, authorizing payment of \$381,150 for the release of the deed of trust. Three, permit the replacement of the existing deed of trust with one deed of trust on the merge Carmax site. Four, approves reduction of the building area on the Carmax site by 6,961 square feet subject to the same architectural quality. Five, approve extending the period to commence construction by three years and Six, determining that there are no defaults under the existing DDA. I just wanted to comment briefly under the fiscal analysis that these funds are available, they're actually in the developer deposit which we have been holding from the Carmax project itself. We've had the benefit of having interest that we have collected for the last three to four years on a \$6,000,000 deposit. That concludes my presentation and I'd be happy to answer any questions.

Mayor Forester: Questions of staff?

Vice Mayor Hansen: I make a motion to approve the third amendment.

Council Member Noll: Second.

Mayor Forester: It's been motioned and seconded. Any discussion from the public?

Mayor Forester: Seeing none, we have...

City Manager: This is for City Council.

Vice Mayor Hansen: This is for City Council.

Mayor Forester: This is for City Council.

City Manager: Do you want a voice vote on that?
