

Protect Signal Hill's Services, Property Values, and Quality of Life — Vote YES on R!

Tired of Sacramento politicians taking our money? Years of State money grabs of MILLIONS of local dollars negatively impacted OUR LOCAL services, quality of life, and property values - leaving Signal Hill facing massive budget and service cuts in the wake of COVID.

Your Yes on R vote provides LOCAL funds for LOCAL needs — funds the State or County can't take.

Did you know?

Currently, nearly all of the sales tax generated in Signal Hill goes to the State of California or Los Angeles County. In the wake of COVID, we can't count on the state or federal government to take care of our local needs.

Yes on R keeps LOCAL funds for LOCAL needs – allowing the City to provide essential services to residents and help our local businesses recover.

Yes on R Prevents Cuts.

Now more than ever, residents are relying on the critical services the City provides. But COVID related budget cuts will begin impacting core services and basic repairs and maintenance to public facilities, storm drains, streets, and sidewalks. Waiting to make these basic repairs will make them cost even more!

YES on R prevents even more cuts to BASIC services including 9-1-1 emergency response, crime prevention, street, sidewalk, and pothole maintenance, parks and public facilities, recovery assistance, as well as programs for youth and seniors.

Measure R is Accountable.

Your Yes on R vote requires public reports of all spending and annual independent financial audits. All money raised by the measure will be used to fund essential services and facilities here in Signal Hill. By law, it can't be taken away by the State or County!

Join a unanimous City Council, neighbors, business owners and local advocates in voting Yes on R.
